

WHY STUDY IN USA

- World's finest education systems, with excellent programs across all disciplines.
- World leaders in terms of technology and scientific techniques
- Many course choices within a program and the opportunity to change majors or opt for multiple specialisations.
- Diverse choice of academic, cultural and athletic activities to choose from which help students make new friends and become global citizens.
- There are a total of 352 schools featuring in the recent QS World University Rankings:
- USA 2021 and US universities make up half of the top 10 of the QS World University Rankings 2021.
- Support staff at the international student services office are experts at helping navigate university life.
- Work on campus, get internships with businesses off-campus, and hold research and training positions as graduate students
- Campuses in the U.S. have a life of their own and they are like small student towns and encouraging you to socialise and make friends.
- An American degree on CV adds on to the credibility and enhances employability
